Gordon Gow
Wake Up Narcolepsy Inc.

Dear Gordon and the Wake Up Narcolepsy Inc. Community,

Thank you so much for your continued time, generosity, and incredible support. Through your tremendous efforts, you were able to raise \$12,200.00 in support of Sleep Disorders Priorities at The Hospital for Sick Children (SickKids).

The support SickKids receives from its community is integral to achieving the world-leadership role to which we aspire. Thanks to philanthropically inclined individuals and organizations like you, SickKids has the tools and resources it needs to conduct ground-breaking health research, educate the scientists and healthcare leaders of tomorrow, and provide our patients with the absolute best care the world has to offer.

We would like to express a special thanks to Wake Up Narcolepsy's Canadian Runner, Julie Meltzer. All the monies Julie raised running in the Boston Marathon benefits the Sleep Disorders Priorities Fund at SickKids.

On behalf of the staff at SickKids and the children and families whose lives you have changed for the better, thank you. Thank you for understanding the importance of making our children's health a priority and for believing in the transformational power of philanthropy. Because you believe, countless sick children will not only feel better – they will be better, too.

Sincerely,

A handwritten signature in black ink that reads 'C. McFadden' with a stylized flourish at the end.
