

Support Wake Up Narcolepsy This GivingTuesday!

November 22, 2023 - GivingTuesday is a global generosity movement where donors and nonprofits team up to transform their communities.

Over the past 15 years, Wake Up Narcolepsy has remained dedicated to driving Narcolepsy awareness, education and research as we work toward improved treatments and a cure.

This year, consider making a gift to Wake Up Narcolepsy as we work toward our \$75,000 end-of-year campaign goal. With your support and generosity, we can help make a real difference in the lives of those affected by Narcolepsy.

Join us in the fight for a future without Narcolepsy. Make a difference by [donating today!](#)
