

New CME Course from Paradigm & WUN - Available Now!

December 19, 2023 - "Restoring the Balance: Recognizing and Addressing Disrupted Sleep-Wake Cycles in Narcolepsy" is a new CME-certified, on-demand webinar provided by [Paradigm Medical Communications](#) in collaboration with Wake Up Narcolepsy (WUN)!

[Restoring the Balance: Recognizing and Addressing Disrupted Sleep-Wake Cycles in Narcolepsy](#)

Free CME-Certified, On-Demand Webinar: Earn up to 1.0 AMA PRA Category 1 Credit™ Narcolepsy is a high-burden sleep disorder marked by heterogeneous presentations that can be subtle, difficult to detect, and (sometimes) even more difficult to manage. Join distinguished experts, Dr Kiran Maski and Dr Clete Kushida, as they clarify the path to narcolepsy diagnosis and treatment, including novel therapies that can help patients restore the balance between wake and sleep.

Expires: December 2024
