

## Join Us for May's Brown Bag Webinar - Narcolepsy Diagnostic Journey

**February 22, 2024** - Join us on May 9th at 2pm ET for “Narcolepsy Diagnostic Journey!”

Hear Anthony Izzo, DO, and Jason Todd, MD, person with Narcolepsy, share about the journey to a Narcolepsy diagnosis. Learn the purpose of different tests, what the diagnostic criteria is, why it can take time to get a diagnosis and what to do after receiving one.

Bring your questions for this opportunity to “ask the experts!”

[Register now!](#)

Anthony Izzo is board-certified in both neurology and sleep medicine and provides high quality, compassionate care to patients with sleep disorders.

Jason Todd is a Pediatric Emergency Medicine Physician working for the Mass General Brigham network at Newton-Wellesley Hospital. For the last 10 years, Dr. Todd has undergone treatment for narcolepsy with cataplexy by Dr. Anthony Izzo.
