

## 2024 Wake Up Narcolepsy Special Research Update

**December 12, 2024** - In 2024, Wake Up Narcolepsy (WUN) donated \$235,000 to Narcolepsy research. Driving research towards improved treatments and a cure is a crucial part of WUN's mission.

This contribution, which is larger than any previous year's, brings the total donated by WUN since inception to \$1.6 million!

Community support plays a large role in making this possible and donations to advance research can be made [here](#).
