Wake Up Narcolepsy INC.

Become a

Volunteer Community Catalyst

We want to bring Wake Up Narcolepsy (WUN) closer to home for everyone affected – and we need a network of enthusiastic volunteers to make it happen with us! Community Catalysts will share their stories, their networks & their dedication to changing how Narcolepsy & Idiopathic Hypersomnia (IH) are viewed, diagnosed, treated & supported.

Could you be a Community Catalyst?

- 18 years or older
- Able to dedicate 2-5 hours per month
- Believe in the power of motivated grassroot-level determination
- Know that improving the lives of those with Narcolepsy/IH is possible
- Relentless in harnessing your passion & inviting others to join you
- Committed to supporting & promoting WUN resources & efforts

What are Community Catalysts doing?

- Blazing new trails for WUN through social media
- Connecting their networks of others' impacted
- Hosting local & virtual events
- Sharing stories of hope as well as tribulation
- Representing WUN in their communities
- Learning about the latest in research, resources & options
- Enjoying insider-access to WUN & camaraderie with others like them
